

Logos 2023-24 Registration is Open!

LOGOS is a vital and valued intergenerational ministry at Knox Waterloo. During the past few years the LOGOS ministry has needed to be intentional yet agile in response to the changing needs of the church, families, and our community. Our LOGOS Steering Team has been hard at work responding to feedback, meeting and connecting with our LOGOS community, making sure we are in tune with current best practices, and reimagining what LOGOS will look like for the 2023-2024 year. With this new model there will be even more opportunities for forming intergenerational connections.

We look forward to a new LOGOS year ahead that focuses on building Christ-centred relationships and having lots of fun together!

Please see the details below and reach out to Nicole Bardeau our LOGOS Director at logos@knoxwaterloo.ca if you have any questions.

What you need to do:

1. Discuss the Logos ministry with your family and give thoughtful consideration to how this may serve to connect you to the Knox Waterloo Community and help build a foundation of faith formation and stewardship.

2. As an adult participant, consider where you feel called to support the Logos ministry this year. It is a requirement that at least one parent or guardian per family play an active role as an adult participant.
3. **Complete the [online registration form](#) by October 6** if possible, so we have time to firm up our group sizes, finalize adult participant rosters and confirm weekly food budgets.

Thank you for your faith in and support for this incredibly important ministry at Knox Waterloo.
